What I like most about the Alpaca Stacka is that it doesn't need to be washed frequently to remain usable as it is machine washable and dries very quickly. Out of all products from calusa, this is my favorite and helps me stay warm and toasty in the rain. - 8 Price Value Quality User Rating / Reviews by barm4 Date Reviewed: July 20, 2010 Comments: Bought one of these for my husband..he is an all American guy that works out every day..he said it was cold and wet..very well insulated..Wears like a second skin and 100% waterproof..If a company can produce something that is warm, durable and affordable..I would be hard pressed not to buy them..I am ordering another 2 for my husband and son..I know we will both be happy..I now plan on buying one for me..comfortable...I would recommend this product to anyone Price Value Quality by bill Date Reviewed: March 9, 2010 Comments: I bought 2 of these for myself and my mother.
